24 • 25 • 26 November 2017

 55 East Hub, East Street Market, Walworth Rd, London SE17 1EL

Application Deadline: 17 November

-  Do you have an idea for a business with a clear positive social or environmental impact?
-  Are you based in South London?
If you are based elsewhere in London you can still apply, but preference will be given to entrepreneurs based in South London
-  Do you need support refining your business idea and getting ready to launch your social venture?

“

Hatch helped us a lot because we're not business people, but we had to start running BSK like a business, managing 20+ volunteers & making food to feed homeless people in Brixton. Our mentor really helped us in getting our accounts sorted and helped us develop a Cash Flow forecast.

Mohammad Hashi
Co-founder, Brixton Soup Kitchen

What you will get:

- 3 full days of interactive workshops that will help you explore and test your business idea
- A 1-2-1 coaching to session, which will allow you to set a clear action plan moving forward
- Post programme mentoring to support you from the idea phase to an established social business
- Discounted membership in South London co-working spaces

Programme outcomes:

By the end of the programme you will:

- Have defined your product or service
- Have developed a clear action plan on how to move forward using Lean Startup tools including the Business Model Canvas
- Understand your market fit
- Be ready for test-trading

Price: £199 - bursaries available
